

International PhD Student Mobility _ APPLICATION FORM

DEADLINE

Two project submission dates per year

21st January and 16th June

More information about ITEM (Institut pour la Transition Environnementale en Méditerranée):
www.univ-amu.fr/ITEM

→Two submission dates per year: January and June. Departures must take place during the calendar year in which funding is obtained.

Form to be sent to: item-bureau@univ-amu.fr

Part 1: Mobility Project Information

- **Title of the mobility project:**

- **Principal investigator:**

First name: Last name: Ph.: E-Mail: Doctoral School: Choisissez un élément.	Specialization: PhD start date: PhD funding (Doctoral School, ANR, contract, no-funding...):
--	---

- **PhD topic:**

- **Home laboratory involved in the supervision or co-supervision of the PhD thesis:**

<input type="checkbox"/> BIAM <input type="checkbox"/> CEREGE <input type="checkbox"/> CERGAM	<input type="checkbox"/> DICE <input type="checkbox"/> ESPACE <input type="checkbox"/> IMBE	<input type="checkbox"/> LCE <input type="checkbox"/> LIEU <input type="checkbox"/> LPED	<input type="checkbox"/> MESOPOLHIS <input type="checkbox"/> MIO <input type="checkbox"/> RECOVER <input type="checkbox"/> TELEMMe
---	---	--	---

- **PhD supervisors and co-supervisors:**

PhD supervisor name Laboratory Institution	PhD co-supervisor name Laboratory Institution:
--	--

- **PhD supervisors opinion (max 10 lines):**

PhD supervisor signature PhD co-supervisor signature

Part 2: Collaborative Context and Host Laboratory Information

- **Collaboration context:**

Collaboration already existing between the host laboratory and the home laboratory:

- No
- Yes (please, specify):

- **Envisaged mobility period:**

- **Contact person in the host laboratory:**

First name, surname:

E-Mail:

Position:

Laboratory:

University/institution:

Country:

Adress:

- **Opinion of the contact person in the host laboratory (max 10 lines):**

Signature of the contact person:

Part 3: Scientific project

- **Scientific project (4-6 pages font size 12):**

Including the following sections:

Mobility project: 1 page

Give a brief summary of the mobility project.

Background, motivation, objectives and scientific description of the project: 1-2 pages

Present the scientific context of the mobility (brief state of the art and previous collaborations), your motivation and objectives.

Links to ITEM's research topic: ~ ½ page

Present the connections with ITEM's research topic and the environmental transition

Personal and academic impact: ~ ½ page

How will this mobility impact your PhD research work, your knowledge in science?

Planning/timeline (possibly including a Gantt diagram): ~ ½ page
